|                         | After:  |  |  |  |
|                         | Before: |  |  |  |

After:

## **Activity: Mindful Breathing**

#### **Stress Rating Before Exercise**

| Please rate your stress level from 1 to 10 in this moment:  1 = Not at all stressed |  |
|---|--|
| 5 = Moderately stressed   |  |
| 10 = Terribly stressed  |  |

### **Instructions for Mindful Breathing** (do at least 10 breaths)

- Find a comfortable seat
- Take a deep slow breath in through your nose for a count of 5
- Feel your abdomen expand as you do this
- Breathe out slowly through your mouth for a count of 5
- Breathe in again, making every breath slow and steady and exactly like the one before it

#### If You are Unable to Practice This Method of Mindful Breathing:

Alternatives can be found at www.optimalagingcenter.com/bright Please select one you can do and complete the Relaxation Diary using that method.

| Stress Rating After Exercise              |  |
|---|--|
| How would you rate your stress level now? |  |

#### **Questions to Explore**

- 1. Did your level of stress change?
- 2. What was this experience like for you?
- 3. Can you think of a specific event when this technique might have been helpful during a stressful caregiving situation?
